If the warehouseman shall store commodities other than those for which he is licensed, a non-licensed receipt shall be issued, which shall contain in its terms a provision that said commodities are accepted for storage only until such time as the space which they may occupy may be needed for products for the storage of which the warehouseman is licensed. and delivered
according to
grades and
weights deter-

Sec. 3. Before any warehouseman's license, modification or extension thereof is granted, or before a reexamination or reinspection applied for by a warehouseman is made, the warehouseman shall deposit with the Bureau the amount of the fee prescribed therefor. Such deposit shall be made in the form of a check, certified if required by the Bureau, or post-office or express money order, payable to the order of "Disbursing Clerk, Department of Agriculture."

weigher's li-
cense.

Sec. 11. Pending investigation, the Secretary may, whenever he deems necessary, suspend the license of an inspector or of a weigher temporarily without hearing. Upon a written request and a satisfactory statement of reasons therefor, submitted by the inspector or weigher, or when the inspector or weigher has ceased to perform such services at the warehouse, the Secretary may, without hearing, suspend or cancel the license issued to such inspector or weigher. The Secretary may, after opportunity for hearing, when possible, has been afforded in the manner prescribed in this section, suspend or cancel a license issued to an inspector or a weigher when such inspector or weigher has in any manner become incompetent or incapacitated to perform the duties of a licensed inspector or licensed weigher. As soon as it shall come to the attention of a warehouseman that any of the conditions mentioned in this section exist, it shall be his duty to notify in writing the Bureau. At the expiration of any period of suspension of a license, unless in the meantime it be revoked or canceled, the dates of the beginning and termination of the suspension shall be indorsed thereon, and it shall be returned to the inspector or weigher to whom it was originally issued, and it shall be posted as prescribed in section 3 of this regulation.

License terminates with warehouse license.

Paragraph 2. Any license issued to an inspector or weigher shall automatically terminate as to any warehouse whenever the license of such warehouse shall be suspended, revoked or canceled. Thereupon the license of such inspector or weigher shall be returned to the Secretary. If such license is applicable to warehouses other than those for which the licenses have been suspended, revoked or canceled, the Secretary shall issue a new license to the inspector or weigher, omitting the names of the warehouses for which licenses have been so suspended, revoked or canceled. Such new licenses shall be posted as prescribed in section 3 of this regulation.

Statement of
variety, grade
and condition.

Sec. 3. Whenever the variety, grade or condition of beans is stated for the purposes of this Act and these regulations, the terms used shall be correctly applied and shall be so selected as not to convey a false impression of the beans. In case of doubt as to the variety, grade or condition of a given lot of beans, a determination shall be made of such facts by drawing samples fairly representative of the contents of the lot of beans offered for storage. These samples shall be thoroughly mixed, and after being so mixed, from this mixture by quartering a sufficient quantity shall be taken which shall constitute the sample for the purpose of determining the grade.

Regulation 9. Appeal of Grades.

Method of ap-
peal in case
of dispute.

Section 1. Paragraph 1. If a question arises as to whether the variety, grade or condition of the beans was correctly stated in a receipt or inspection certificate issued under the Act or these regulations, the warehouseman concerned or any person financially interested in the beans involved may, after reasonable notice to the other party, submit the question to such representatives of the Bureau as the Chief of Bureau may appoint. The decision of the representatives of the Bureau shall be final, unless the Chief shall direct a review of the question.

Immediately upon making their decision, the representatives of the Bureau shall issue a certificate embodying their findings to the appellants and the licensee or licensees involved.

New receipts
or certificates
to be issued.

Paragraph 2. If the decision of the representatives of the Bureau be that the variety, grade, or condition was not correctly stated, the receipt or certificate involved shall be returned to and canceled by the licensee who issued it, and the licensee shall issue in lieu thereof a new receipt or certificate embodying therein the statement of variety, grade, or condition in accordance with the findings of the representatives of the Bureau.

Assessment
of expenses.

Paragraph 3. All necessary and reasonable expense of such arbitration shall be borne by the losing party, unless the Chief of Bureau or his representative shall decide that the expense should be prorated between the parties.

Regulation 10. Miscellaneous.

Regulations
applicable to
State warehouses.

Section 1. Every person applying for a license, or licensed under section 9 of the Act, shall, as such, be subject to all portions of these regulations except regulation 2, section 3, so far as they may relate to warehousemen. If there is a law of any State providing for a system of warehouses owned, operated or leased by such State, a person applying for a license under section 9 of the Act, to accept the custody of beans and to store the same in any of said warehouses, may, in lieu of a bond or bonds, complying with regulation 3, sections 1 and 2, file with the Secretary a single bond meeting the requirements of the Act and these regulations, in such form and in such amount not less than \$5,000 as he shall prescribe, to insure the performance by such person, with respect to the acceptance of the custody of beans and their storage in the warehouses in such system for which licenses are or may be issued, of his obligations arising during the periods of such licenses, and in addition, if desired by the applicant, during the periods of any modifications of extensions thereof. In fixing the amount of such bond, consideration shall be given, among other appropriate factors, to the character of the warehouses involved, their actual or contemplated capacity, the bonding requirements of the State, and its liability with respect to such warehouses. If the Secretary shall find the existence of conditions warranting such action, there shall be added to the amount of the bond so fixed a further amount, fixed by him, to meet such conditions.

Publications.

Sec. 2. Publications under the Act and these regulations shall be made in service and regulatory announcements of the Bureau of Agricultural Economics, and such other media as the Chief of that Bureau may from time to time designate for the purpose.

Violations of
Act and regu-
lations to be
reported.

Sec. 3. Every person licensed under the Act shall immediately furnish the Chief of the Bureau any information which comes to the knowledge of such person tending to show that any provision of the Act or these regulations has been violated.

Procedure in
hearings.

Sec. 4. For the purpose of a hearing under the Act and these regulations, except regulation 9, the licensee involved shall be allowed a reasonable time, fixed by the Secretary or by an official of the Department of Agriculture designated by him for the purpose, within which affidavits and other proper evidence may be submitted. If requested

by the licensee within such time, an oral hearing, of which reasonable notice shall be given, shall be held before, and at a time and place fixed by, the Secretary or an official of the Department of Agriculture designated by him for the purpose. The testimony of the witnesses at such oral hearing shall be upon oath or affirmation administered by the official before whom the hearing is held, when required by him. Such oral hearing may be adjourned by him from time to time. After reasonable notice to all parties concerned, the deposition of any witness may be taken at a time and place and before a person designated for the purpose by the Secretary or an official of the Department of Agriculture authorized by the Secretary. Every written entry in the records of the Department of Agriculture made by an officer or employee thereof in the course of his official duty, which is relevant to the issue involved in a hearing, shall be admissible as prima facie evidence of the facts stated therein without the production of such officer or employee. Copies of all papers and all the evidence submitted or considered in such hearing shall be made a part of the records of the Department of Agriculture. The records and, when there has been an oral hearing other than by the Secretary, the recommendation of the official holding such oral hearing shall be transmitted to the Secretary for his consideration. Each party shall pay all expenses contracted by him in connection with any hearing under this section.

No conflict
with State or
Federal laws.

Sec. 5. Nothing in these regulations shall be construed to conflict with, or to authorize any conflict with, or in any way to impair or limit the effect or operation of the laws of any State relating to warehouses, warehousemen, inspectors, or weighers, nor shall these regulations be construed so as to limit the operation of any statute of the United States relating to warehouses, warehousemen, inspectors or weighers now in force in the District of Columbia, or in any Territory or other place under the exclusive jurisdiction of the United States.

Amendments.

Sec. 6. Any amendment to, or revision of, these regulations, unless otherwise stated therein, shall apply in the same manner to persons holding licenses at the time it becomes effective as it applies to persons thereafter licensed under the Act.
